*** INTRO TO VIDEO PRODUCTION ***

KMVT15's "Take 1" teaches students grades 6th - 8th the fundamentals of video production and broadcasting in an eight-week, two-hour class. In the 8-session course, students will learn camera composition, audio, live switching, floor directing and hosting techniques. Older classes of students will work with basic editing fundamentals and post production procedures.

YOUR SHOW AIRS ON TV!

The final project will air on KMVT15 Community Television which broadcasts in Mountain View, Los Altos, Cupertino, and now, Sunnyvale! A great introduction to TV and digital media, Take 1 gives students a behind the scenes look into what they've watched on TV and the internet.

Dates of classes (from 3 - 5pm):

September 15, 22, 29, October 6, 13,
20, 27, November 3
